ABOUT
LAURENCE DELVALLEZ

Laurence Delvallez is a Belgian brand that designs jewelry for the contemporary woman. Inspired by fashion, art, nature and architecture, we create fashionable jewelry that stands out.

Besides, we highly focus on authenticity. Therefore, Laurence selects her materials in Italy and afterwards, all items are designed and created with care in our Atelier in Waregem.

Our mission is to empower women with confidence. We strongly believe that jewelry can give that extra boost to feel stronger.

At Laurence Delvallez, we handle a personal approach. We have an in-house repair service, as well as a customer service team who’s always ready to welcome you.

ABOUT NOVA

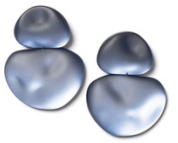

With Nova, LD introduces a collection that captures the beauty of new beginnings. Soft shades of pink, green, blue, and white come together with a delicate milky finish, creating a subtle interplay of light and colour.

Inspired by the beauty of a star coming to life, each piece explores the balance between subtlety and expression, softness and elegance. Soft, matte surfaces gently diffuse the light, bringing an unexpected dimension to timeless designs.

Nova embodies the spirit of a new season: optimistic, effortless, and quietly bold. A celebration of individuality, where simplicity meets a touch of the extraordinary.

More than a reflection of light, Nova is a reflection of who you are. Whether worn as a subtle accent or a statement piece, Nova invites you to explore, to express, to glow.
